

GovEvents At-A-Glance

GovEvents is the premier online resource for Government and Military events worldwide. Created as a service to the government community, government and military personnel, contractors, vendors, and event organizers now have one place on the web to find and post government-related events. With over 98,000 members and hundreds of thousands of users, the site provides in-depth information on hundreds of events--from major government conferences & tradeshows, to on-demand webcasts. Access to GovEvents is **FREE** of charge for all government users, event organizers and vendors/exhibitors.
